## MORTGAGE SOLUTIONS

- Click on Browse for files or Drag & Drop the correct document to each appropriate condition.

- The Underwriter will review the item uploaded at each condition to determine if the document satisfies the condition. Angel Oak will not review bulk uploads. A minimum of 50% of the conditions must be provided in order for the Underwriter to review the loan.

- Confirm you are ready for the Underwriting team to review the loan by clicking on the Notify Lender button at the top of the screen.
